The experienced loss accounting professionals at RWH Myers work diligently to achieve rapid claim resolution, keeping you informed every step of the way so you can stay focused on your business, instead of your claim.

We also provide valuable information to the industry with our BI Seminars, customized to meet your business needs. Contact Sharon Pisko Wolfe at (203) 301-9045 for more information.

We congratulate the impressive women who have been chosen and all of those nominated for recognition as 2008 Women To Watch in the Insurance industry.
