

William A. Warren, CPA

Partner, Co-founder

William A. Warren, CPA, is a co-founder of RWH Myers and partner-in-charge of the firm's Atlanta office. He provides expert services in the analysis and presentation of business interruption, extra expense and property damage claims, as well as the quantification and reporting of complex business interruption values and exposures. Mr. Warren also helps clients assess damages related to builders risk claims, OCIP claims, patent infringements, employee fidelity, third-party liability and other commercial disputes. He also provides expert services for matters in appraisal, mediation, arbitration and litigation.

Mr. Warren has represented major public and private for-profit, not-for-profit, and public entities throughout North America, South America and Europe. He works with clients from a broad range of industries, including manufacturing, forest products, food services, chemical, financial and professional services, technology and communications, real estate management and development, not-for-profit, distribution, and retail.

Experience

Mr. Warren assists clients with individual losses as well as managing many losses during regional catastrophic ("CAT") events, including the September 11th terrorist attacks; the severe hurricane seasons of 1998, 2004 and 2005; and Mississippi River flooding. In one example, his technological expertise enabled the measurement and tracking of various impacts at hundreds of locations in an efficient and consistent manner.

Education

Babson College, BS Accounting (1996)
